## AWARD

This is a reference made by the Government of Goa, Daman and Diu, by its Order No. LC/1/ID(60)/72/916 dated 12-5-1972. The Schedule annexed to it reads as follows:

"In the light of clause 4 of the settlement between the Management of M/s. Chowgule & Co. Private Limited and their workers represented by the Goa Dock Labour Union dated 2-11-1971 and further in the light of clause 2 and clause 6 of the settlement dated 25-2-1972 signed between the Management of M/s. Chowgule & Co. Private Ltd. and their workers represented by the Chowgule's Mechanical Ore Handling Division, Mormugao Power House and Barge Workers Union, Vasco-da-Gama and further as per clause 3 and 7 of the settlement dated 24-2-1972 signed between M/s. Chowgule & Co. Pvt. Ltd., and their workmen represented by the Chowgule Employees Union, Vasco-da-Gama, whether the barge crew employed by M/s. Chowgule & Co. are justified in categorising 10 percent payment made to the other employees as per settlements dated 24-2-1972 and 25-2-1972 referred to above as bonus?"

"If so, to what relief they are entitled for?"

2. The Union, representing the workmen, in its statement of claim, has stated as follows:

The settlement dated 25-2-1972, arrived at between the Management of the Employer and the Chowgule Mechanical Ore Handling Division, Mormugao Harbour and Barge Workers Union, Vasco, in its clause 6 stipulates that the Company have agreed to pay alongwith the salary for the month of March, 1972; to the staff covered by the dispute, an amount equal to 10 percent of the total wages in the calendar year 1971 in full settlement of the Union's request for retrospective effect to the demands contained in the Charter of Demands submitted by the Union.

By virtue of clause 2 of the above settlement the Union withdrew the demands regarding:

- i) Giving retrospective effect to the various demands; and
- ii) Bonus with retrospective effect including the demand for the increase in quantity of the bonus for the past years upto 31-3-1971.

3. The Goa Dock Labour Union raised a dispute on behalf of the bargemen alleging that the staff of the Company doing the work in connection of the Ore Handling Operation, were paid bonus which was refused to the bargemen; this dispute was settled by virtue of the agreement dated 2-11-1971 which, in its clause 4, has provided as follows:

"The Union agrees that, in the light of this agreement by which lumpsum compensation as mentioned above has been extended to the barge crew in lieu of various benefits demanded with retrospective effect from 1-1-1969 on the pattern of the Barua award, not to raise any demand or dispute in respect of payment of bonus for the past years upto 31-3-1971. However, should the Company pay bonus to its other employees on a basis different than that already paid then the Company shall extend the same benefits to the barge crew for the relevant period."

It is contended that the employer, by their agreement dated 25-2-1972, in fact have paid bonus to the workers, although styling it as a lumpsum settlement. Hence, this benefit should also be given to the workmen employed in the barges under the settlement dated 2-11-1971 and categorised as bonus.

4. The employer Company, in their written statement, have reproduced the contents of clause 6 and 2 of the settlement dated 25-2-1972, which contents, according to them, have not been properly referred to by the Union in its claim statement and contended that the Company have never paid bonus in addition to what was already paid prior to the settlement i.e. 4 percent for the year upto 31-3-1971 and the Union has failed to make out a prima facie case for styling the payment made under the settlement dated 25-2-1972 as bonus. It is further submitted that clause 2 of the settlement dated 25-2-1972 very categorically says that the Union has appreciated the difficulties of the Management in this respect (regarding bonus and giving retrospective effect to other demands) and has agreed to withdraw both the demands including the demand for increase in the quantum of bonus for the past years upto 31-3-1971. Hence, it would not be open for any party to interpret the payment made in some other consideration as bonus.

5. The terms of reference made by the Government were considered by the Tribunal as proper issues and no further issues were framed.

6. As per the Rosnama dated 2-4-1980, the employer's representative has filed the settlements dated 25-2-1972, 24-2-1972 and 2-11-1971, which have been taken on record by consent of the parties. The employer's representative has filed his written arguments and also orally argued the matter. The Union's representative, although given various opportunities, did not submit his written arguments, nor argued the matter orally.

7. The only question that arises in this reference is regarding the correct interpretation of clauses 6 and 2 of the agreement dated 25-2-1972 in order to see whether the amount of 10 percent given by clause 6 can be categorised as bonus, as contended by the Union, or whether it cannot be so, as contended by the employer.

8. Clause 4 of the agreement dated 2-11-1971 reads as follows:

"The Union agrees that in the light of this agreement by which lumpsum compensation as mentioned above has been extended to the barge crew in lieu of various benefits demanded with retrospective effect from 1-1-1969 on the pattern of the Barua Award, not to raise any demand or dispute in respect of payment of bonus for the past years upto 31-3-1971. However, should the Company pay bonus to its other employees on a basis different than that already paid then the Company shall extend the same benefits to the barge crew for the relevant period".

This agreement was arrived at between the employer and their workmen, represented by Dock Labourers Union in respect of the Union's demand for implementation of Shri Barua's award. There is no reference in this agreement to any demand made by the Union regarding bonus except for what it appears in clause 4 reproduced above. So, even assuming that one of the items of the demands by the Union was bonus for the past years upto 31-3-1971, it is clear from the terms of the agreement that the lumpsum paid by the employer was in consideration of the Union's withdrawal of all their demands, perhaps including also bonus, made with retrospective effect and, therefore, such amount cannot be considered as bonus.

9. The agreement dated 25-2-1972, arrived at between the employer and their workmen's represented by the Chowgule's Mechanical Ore's Handling Division Power House and Barge Workers' Union, Vasco clearly mentions in clause 2 that the Management have explained their inability to agree to either:

- i) Giving Retrospective effect to the various demands; and
- ii) Bonus with retrospective effect; and have explained their stand fully. The Union has appreciated the difficulties of the Management in this respect and have agreed to withdraw both the demands, including the demand for increase in the quantum of bonus for the past years upto 31-3-1971.

Clause 3 of this agreement is regarding the demand for leave and clause 4 is regarding the reports of the regularisation committees. Then comes clause 5 which reads as follows:

"In respect of the other demands contained in the Union's Charter of Demands, mutual agreement has been arrived at, as per annexure attached herewith".

And then clause 6, with the interpretation of which we are now concerned. In view of the terms of clause 2 referred to above, the amount paid by virtue of clause 6 is to be considered as referring to the other demands mutually settled by the parties and cannot have any connection whatsoever with the demand for bonus which the Union agreed under clause 2 to withdraw, after appreciating the difficulties put forth by the Management to meet the said demand.

10. Same is the position regarding clause 3 and 7 of the agreement dated 24-2-1972, arrived at between the employer and workmen represented by Chowgule Employees' Union. The terms of clauses 3 and 7 are identical to the terms of clauses 2 and 4 respectively, of the agreement dated 25-2-1972 and hence refer to the other demands mutually settled by the parties and not to bonus.

11. In view of the above, I pass the following Order:

Order

The Barge Crew employed by M/s. Chowgule & Co. are not justified in categorising 10 percent payment made to the other employees as per settlements dated 24-2-1972 and 25-2-1972 as bonus. This is my answer to the reference made by the Government. In the circumstances of the case, I leave each party to bear its own costs.

Dr. Renato de Noronha  
Presiding Officer,  
Industrial Tribunal.
